Stephanie,

I thought I gave permission to edit for anyone with the link. Here's an updated link, does this fix the issue?

Thanks I can see the edit.

I can view it but for some reason my edits won't save. I will check with Kathy and see if there is something about permissions which doesn't allow me to review it.

I will keep you updated.

Sincerely,

Stephanie

Stephanie,

I made a test comment on the title Executive Summary on pg 2. It seemed to save on my view. Can you see it?

Hey there Kelly,

I was wondering can you see if anyone has made any changes to the BA yet on the sharepoint? I just want to make sure that I am editing a live document and/or I am not having some technical issues viewing the latest copy. From my view point the document looks to be unedited.

No rush, just let me know when you can.

Sincerely,

Stephanie

All,

We have received the draft BA from FDEP. Heather indicated FDEP will be compiling comments to give to the consultant, GHD, in one month. Please make any comments/edits in tracked changes on the Word document ending in INTERNAL_MARKUP. We will be compiling all comments in about a month to provide to GHD for the final version. The Word document does not contain the appendices, but the PDF does.
